Dear Parents and Caregivers

It is time to start thinking about high school for your child who is in Year 6 this year. By the end of this term many decisions need to have been made by you about his or her placement for 2013. High schools then organise enrolment lists and offering places to students during Term 2.

Please ensure that our records are updated. We must have a current address for you for this process!

There are two meetings for parents of Year 6 students to give out documentation (Expression of Interest forms for 2013, DET information etc) and explain options for high school enrolment. It is important that all parents attend one of these meetings to clarify procedures and ensure all possibilities and knowledge of the systems in place are utilised by parents, when making choices.

Meeting times are:

- **Wednesday 29 February 6-7pm** - Library
- **Thursday 1 March 9-10am** - School hall

Please fill in the slip below and return it to the school office by **Friday 24 February 2012**

Yours sincerely

Deb Henderson
